

# WALKER

## **DISTRIBUTED SPECIALTY GLASS PRODUCTS**

Classic pattern and wired glass are now available at Walker Glass. Picking and choosing what you need is another way for us to serve you!

# PATTERN GLASS

Pattern glass is timeless and provides some privacy while allowing light into the room. These classic patterns are now available at Walker Glass.

## Aqualite

(Also known as Spraylite™ or Aquatex™)  
• 5mm Clear Glass in 72" x 96"

## Pinhead

(Also known as Pinhead Morocco, Pattern 62, Pattern 516 or Stipolite)  
• 3mm Clear Glass in 60" x 84"  
• 5mm Clear Glass in 72" x 96"

## Rain

(Also known as Niagara)  
• 5mm & 10mm Clear Glass in 72" x 96"

*All pattern glass products come in 4,000 lbs cases*

# WIRED GLASS

Wired glass is still used in some applications. They are offered in two distinctive patterns, diamond or squares.

## Diamond

(Diamond Polished Wire)  
• 6mm Clear Glass in 78" x 100"

## Squares

(Georgian Polished Wire)  
• 6mm Clear Glass in  
78" x 100" & 78" x 130"

*All wired glass comes in 4,000 lbs cases*

To check on availability and to place your order for pattern or wired glass do not hesitate to contact Walker's Customer Service Department or your local representative.
