ANTIQUE MIRROR

Antique mirror adds a touch of classic design to interiors, introducing new options to help you create the perfect ambiance.

CHARCOAL

The Charcoal pattern is distinguished by its chic linear texture.

Clear

Bronze

STORM

The Storm pattern is a classic design with natural "cloud" shapes and lots of visual depth.

Clear

Bronze

SPECIFICATIONS

Dimensions: 84" x 130"

Thickness: Standard 6mm (1/4"), and 3mm (1/8") available on demand.

Availability: All four options are available in 2,000 lbs (690 sq ft.) packs.

Samples: 8" x 8" or 12" x 12" samples available on demand.

Note: Antique Mirror is produced through a modified silvering process, resulting in slight pattern variations from sheet to sheet. This is part of the unique nature of the mirror, which is **sold as an as-is** product.

These Antique mirror options are manufactured by Gardner Glass, and distributed by Walker Glass.
